

CLEANERS

Compared with electric cleaners, JAC-3 can vacuum a variety of materials. Steel, aluminum, various metal chips, resins, wood chips and even liquid can be vacuumed.

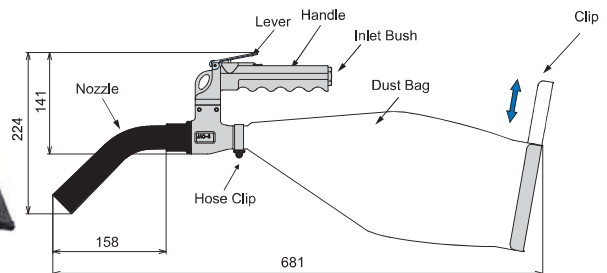

Cleaner

- Powerful and compact design.
- Has no moving parts, is durable and tough.
- No concern on electrification or electric leak.

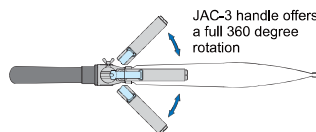

JAC-3

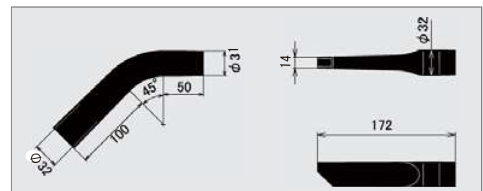

- 1 narrow nozzle included.

Handle angle is changeable.

Nozzle Dimension

Model	Code	Sucking		Overall length		weight		Saction hose diameter		Airinlet thread	Hose size		Average air consumption	
		mmAq	mm	in	kg	lb	mm	in	Rc or NPT	mm	in	m ³ /min	ft ³ /min
